Whereas that Vision is "Caring communities balancing prosperity, well-being and nature"; and

Whereas the Sustainable Peterborough Current Conditions Report recognizes that all municipalities within the County of Peterborough currently have policy frameworks and/or programs and services in place which support and implement sustainability within their respective communities;

Now therefore the Township of Douro-Dummer hereby supports the Vision; and Agrees to have Township actions included in the Sustainable Peterborough Action Inventory if: they are already funded; they are already being undertaken and they move the region closer to this Vision.
